**Aaron's Acres Receives EITC Donation from Lift, Inc.**

Lancaster, PA . . . Through the Educational Improvement Tax Credit (EITC) program, Aaron's Acres program has again been approved as one of the organizations that can receive EITC monies in 2017. "Everyone at Aaron's Acres is most grateful for the ongoing support we receive from the Lift Inc. Company", says Risa Paskoff, the Executive Director. According to Don Herman, President of Lift, Inc., ""We love supporting Aaron's Acres with our EITC contributions. We know that this support is helping to give the children an exciting experience and their families an opportunity to see their children just being kids."

This program allows Pennsylvania businesses to support an Educational Improvement Organization instead of sending their tax dollars to Harrisburg. EITC provides companies with a 75% tax credit for donations to a non-profit educational improvement organization. The tax credit increases to 90% if the company commits to making the same donations for two consecutive years.

Aaron's Acres provides individuals with special needs age 5-21 year-round therapeutically based age-appropriate recreational programs directed by specifically trained and certified staff in a supportive environment that enhances socialization and communication skills. Emotional, educational, and recreational support is offered for the entire family.
