Aaron's Acres 7th Annual Golf Tournament is one week away!

Lancaster, PA....Aaron's Acres 7th Annual Golf Tournament is just one week away! Our 2017 Event Sponsor is The Patrick Trimble Team. According to Patrick Trimble, "Once again we have a sold out event! The Patrick Trimble Team is proud to sponsor this event with the hope of raising awareness of Aaron's Acres and their mission so they can expand their programs and the number of children served."

In addition to our event sponsor, we have four platinum sponsors: Clark Foundation, Lift, Inc., Lancaster Toyota, and Rodgers & Associates. There are also 24 Silver Sponsors and 35 Hole Sponsors who have committed to support this tremendous fundraising event for the organization.

The tournament takes place on Monday, May 22, 2017 at Bent Creek Country Club (Lititz). There are a total of 84 sponsors and 144 golfers reserved for this year's event. The itinerary includes registration, practice and hot barbecue lunch (beginning at 11:00 am); a shotgun start at 12:30 pm, and later following the tournament cash bar and an Italian Dinner Buffet.

At Aaron's Acres, all children regardless of disability are accepted into our programs. Having a low staff to child ratio and having the supervisory staff comprised of professionals (special education teachers), ensures that each child's needs will be met appropriately and immediately. Having a nurse allows us to accept a child who has a seizure disorder or who uses a feeding tube. The proceeds from this fundraising event support all of our programs, confirming our commitment to our mission of serving individuals, ages 5-21 with developmental disabilities.

The evening's program will feature Christi Beazley, our Board President, event sponsor, Patrick Trimble of The Patrick Trimble Team, and Melissa Roslevege, a parent who will speak about their experiences with Aaron's Acres. This year's tournament will once again feature a Shamble format with Callaway scoring. Contests and prizes will be offered to both men and women including two hole-in-one vehicles donated by BMW of Lancaster.

Aaron's Acres provides individuals with special needs age 5-21 year-round therapeutically based age-appropriate recreational programs directed by specifically trained and certified staff in a supportive environment that enhances socialization and communication skills. Emotional, educational, and recreational support is offered for the entire family.

Visit www.aaronsacres.org to learn about our year-round social and recreational programs in Central PA. Proceeds from all fundraising efforts benefit families and participants in all counties served by our organization.
