**Aaron's Acres partners with European Motors Volvo for 2017**

Lancaster, PA . . . Aaron's Acres is excited to announce for 2017, European Motors Volvo will donate \$100 to Aaron's Acres for every car they sell. European Motors Volvo (2861 Perkiomen Avenue, Reading, PA 19606) currently sells approximately 100-120 vehicles per year.

Nathan Beil, President of European Motors Volvo reached out to our organization in 2016 and made a donation to send four children for a full day session of camp (2 children at a 1:1 ratio and 2 children at a 1:2 ratio). In addition, this past Fall, he and his niece and nephew purchased rafts for the pool, pumps to blow up inflatables and equipment for group games (large net for soccer).

Nathan Beil stated, "When I found out what Aaron's Acres provided it just clicked. Aaron's Acres stands out to me because of the kids and the fact that they have special needs is what means a lot to me. A lot of us take it for granted that we can just walk down to the playground or jump in the pool or play football. For many of these kids doing something that simple isn't possible without help and the thought of that really gets to me. Every kid should have the same experiences and enjoyment and the fact that you provide a 1:1 or 1:2 experience is amazing."

Risa Paskoff, the Executive Director of Aaron's Acres stated, "We have been blessed with this relationship! Our dreams of meeting the needs of more children and young adults with developmental disabilities are turning into realities because of people like Nathan!"

Aaron's Acres provides individuals with special needs age 5-21 year-round therapeutically based age-appropriate recreational programs directed by specifically trained and certified staff in a supportive environment that enhances socialization and communication skills. Emotional, educational, and recreational support is offered for the entire family.
