**Aaron's Acres partners with The Patrick Trimble Team for 2017**

Lancaster, PA . . . Aaron's Acres is excited to announce that The Patrick Trimble Team has agreed to donate \$100 for every home they sell in 2017 to Aaron's Acres! According to Patrick Trimble, "We have been a supporter of Aaron's Acres for four years now. We started by sponsoring the annual golf outing at Bent Creek. After the first year, my wife Susan and I visited the summer camp and that is when we were hooked. It was humbling to see all these special needs children enjoying the camp and the socialization with other campers and the staff. Since that first year we have continued to sponsor the Bent Creek golf outing but have added a sensory movie at Penn Cinema each December for the "Aaron's Acres Family" which includes the kids and their families. Santa also makes an appearance which is a big hit. Three years ago, I began asking my clients to donate supplies for the summer camp which they bring to our Patrick Trimble Team movie at the IMAX Theater with over 400 guests. Looking to do more to support Aarons Acres we now donate \$100 for each home sold by the Patrick Trimble Team. To date we have donated over \$18,000. It is gratifying to see the kids benefitting from the donations of our team and our clients but is also important to note that most of the donated monies are flowing through to benefit the kids. We have seen first-hand how the Aarons Acres staff works on a tight budget maximizing the dollars donated."

Aaron's Acres Executive Director, Risa Paskoff, stated, "Aaron's Acres has been truly blessed with the support that we have received over the past 4+ years from the Patrick Trimble team. Team Trimble's efforts have increased the awareness of who we are and what we do within our community. In addition, we have benefitted from generous donations of craft supplies as well as funds to help support our programs throughout the year. There are no words to express our gratitude to Patrick and his team; they are truly helping us as we help children with special needs and their families."
