

Thinking of You...

Our thoughts are with our families, staff, volunteers and donors at this time. No doubt it is challenging for everyone. During moments like this, we need to hold onto and embrace the heartwarming stories of people caring for one another and people going above and beyond for others.

At Aaron's Acres, our focus has been and will continue to be on our larger community—those whom we have connected with over the years and have helped us get to where we are today.

The Aaron's Acres Administrative team is working remotely and maintaining a positive outlook about camp. Moving forward, we will make a final decision based on how this pandemic plays out, always keeping in mind what is best for our participants, families, staff and volunteers.

Our Board of Directors and our Admin Team are thinking of all of you and hoping to be back to some kind of normalcy in the near future. Until then, please be safe and healthy. Please take care of yourselves while you are caring for others.

*Sending positive thoughts your way,
Risa*

Welcome, Kate!

We are happy to announce a new Director of Development and Community Relations for Aaron's Acres! Kate Mullen has joined us at Aaron's Acres and we are excited to have her passion and experience on our team.

Kate has a passion for serving others and has worked for nearly 20 years in the non-profit sector.

Please welcome Kate when you see her!

POSTPONED

10th Annual Golf Outing

During this time, Aaron's Acres wants you and those around you to use this time to focus on taking care of yourselves, your families and your businesses.

It is for this reason and after much consideration, the Aaron's Acres team has decided it is best for all those involved to postpone our 10th Annual Golf Outing until August. The new event date is **August 17th**.

We sincerely thank you for your continued support and look forward to a great event later this summer.

We hope you will join us to celebrate being together and outdoors in August!

Join Aaron's Acres throughout the week for fun and entertainment with some of our favorite guests!

Aaron's Acres is committed to providing children with disabilities programming in whatever way we can during these challenging times. We have partnered with some of our favorite people to bring you videos to share with your children at home. Throughout the week we will share news video from familiar faces.

Videos will be posted on Facebook, the Aaron's Acres blog on our website and available to watch (and re-watch!) on the Aaron's Acres' YouTube channel.

So far, we have been joined by Miss Cindy for music, Phredd for fun and music, Jesse for story time with reptiles and Papa Tater for a magic show! Stay tuned for fitness, meditation and more story time!

We have loved hearing your feedback about these videos and the pictures you have shared with us of happy children enjoying a bit of fun at home, like Julia above who is enjoying some silly songs with Phredd.
