COOKE**

"I love Aaron's Acres because of the community it creates for children who sometimes feel alone because of their disabilities. Aaron's Acres also extends that community to the children's families, caregivers and staff and volunteers. Once you are part of an Aaron's Acres program, you understand the sense of comradery and belonging that every person strives for in life. How wonderful that one organization can do so much for children who ask for so little! (Plus we have a lot of fun... and others notice people having fun in bright yellow shirts!!)"
