

Summer Camp 2021

Summer Camp is in full swing!

Today we are wrapping up the 4th week of camp and it is wonderful to be back in-person! Splashing in the pool, riding a horse, creating art projects, exercising and having relay races with friends are just some of the activities occurring at Aaron's Acres day camp. Smiles are everywhere and laughter can be heard from campers and staff throughout the time that they attend our program. For our A-team campers, scuba diving and creating a cardboard boat to float in are just a few of the activities they participated in during this session of camp. A visit from reptiles and a petting zoo kept our campers (and staff) entertained! Camp is truly flying by. If only we could press a button to slow it down just a bit... So we can make sure that we are cherishing every moment! Here's to the next 2 weeks and the last session of camp starting on Monday!

Feature Site Supervisor: Courtney

"My experience with Aaron's Acres began during the Spring of 2013 as a Millersville Intern. That following Summer, I began working at camp as a counselor and a couple years later as a Group Leader. During the Summer of 2018, I began my current role as one of the Site Supervisors for Aaron's Acres. I have loved experiencing all of my different

roles while at camp, and enjoyed growing along with the program. I am a Diagnostic Kindergarten Teacher in the Hempfield School District and am working on my doctorate in Special Education. Other than working with individuals with special needs, I have a passion for travel and am always looking to cross more places off of my bucket list! Aaron's Acres has made a lasting and incredible impact on my life and I am proud to be a part of such an amazing organization."

Courtney's thoughts on camp this summer:

"For me, the part of camp this summer that I am most excited for is catching up with returning campers and meeting new ones. I miss those smiles and high fives! Here's to an awesome summer!"

CAMP SESSION SPONSOR: MEMBERS 1ST

We are excited to highlight Members 1st Federal Credit Union whose ongoing partnership with Aaron's Acres continues to grow each year. This summer they have volunteered as camp photographers during the day and generously sponsored session 2 of camp.

Learn more about our partnership with Members 1st in this week's blog post!

Contact Director of Development & Community Relations, Kate Mullen, if you or your company is interested in sponsoring a future session of camp and for information about other sponsor/donor opportunities.
