## 13th Annual Golf Tournament

*Benefiting children and young adults with disabilities*

Presented by  
Event Sponsor

Dear friends,

Welcome to our 13th annual Golf Outing benefiting Aaron's Acres' year-round programs for children and young adults with disabilities. This year is also the 25th anniversary of our organization. These milestones are hard to believe! So many of you have been with us each year to support us and for that we are most grateful. For those who are new to this event and to our organization, our Administrative Team and Board of Directors look forward to connecting with you today.

Next month, beginning on Monday, June 19, camp begins. There is nothing better than to see our staff and campers in action as they participate in music therapy, swimming, therapeutic horseback riding, fitness and exercise and reptile visits, a ventriloquist, and a petting zoo! One parent shared with us last summer that her child was dressed and all ready to go to camp on the first day, (something that never occurs during the school year), however, it was only 6:00am and the child was trying to get in the family's van!

Aaron's Acres can celebrate its 25th anniversary, in large part, because of the funds raised at this event every year. Thank you for believing in the work that we do for children of varying abilities and disabilities, along with their families.

Have a wonderful time playing golf today!
