

Summer Camp 2024 was AMAZING!

Summer Camp

Summer camp would not have been all that it was without you! Thank you to everyone who was a part of this year's summer camp season, it was amazing!

We welcomed many new staff and families, as well as a number of returning staff and families this summer! We tried some new activities and as always had many laughs. We are already thinking about summer 2025 and we look forward to welcoming you back for more fun, friends and laughter!

Applications for School Year Program are open!

School Year Program

We are so excited to share that the applications are now open for the 2024-2025 School Year Program!

Families and staff are invited to apply.

The Older Adolescent and A-Team programs meet in Dauphin and Lancaster counties, one Friday evening each month October through May, excluding January.

The Older Adolescent Program is for participants ages 13-21. The A-Team is for participants ages 13-21 with Level 1 Autism.

The Younger Group meets at Millersville University, the first Saturday evening each month October through May, excluding January. The Younger Group is for participants ages 5-12.

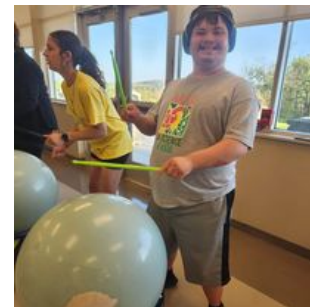

Apply now!

STAFF INFORMATION

As we provide a 1:1 or 1:2 staff to child ratio, and we want to remain true to that standard, we need your help! Sharing this information with those whom you interact would be greatly appreciated. We never want to turn away a family interested in having their child attend our program.

Individuals, 18 or over, can apply to be a counselor. **This is a paid position.** No experience is required except having an interest in working with this population. Please help us as we continue to support individuals with varying challenges by spreading the word about this opportunity.

Staff who have worked with us have stated that it is a life changing experience. Join us and have this life changing experience as well!

Thank you to local community members!

Volunteer Photographers

We were grateful to be joined by community members, local businesses and individuals who volunteered their time during summer camp to take photographs. Assisted by staff, participants created personalized memory books at the end of each 2-week session of camp with the pictures taken by volunteers.

Thank you to all those who visited camp this summer!
