

It's ExtraGive Day!!!!

As we prepare for this year's ExtraGive event on Friday, November 22, we want to take a moment to reflect on what we have accomplished this past year, much of which has been made possible by the tremendous support from our community. Thanks to the generous financial contributions we've received, we've been able to:

1. Provide a camp experience for nearly 100 children, ages 5-21, over a 6-week period, accommodating individuals with a range of abilities and disabilities.
2. Offer community service (volunteer) opportunities through our Acts of Kindness program for campers ages 13-21, over a 2-week summer session.
3. Host 10 weeks of the Chuckie Magee Flag Football and Cheerleading Program for 22 football players and 11 cheerleaders, ages 18-40, with varying abilities and disabilities.
4. Offer 8 weeks of sports programming—soccer, floor hockey, and kickball—engaging approximately 20 participants.
5. Organize a 4-week cooking class for participants ages 13-21, alongside a family member.
6. Host a 4-week art class for participants ages 13-21, along with a family member.
7. Provide 6 virtual educational seminars for parents and caregivers, focusing on issues often faced when raising a child with a disability.
8. Increase our Administrative Team by adding a Program Coordinator who will be responsible for expanding all of our existing programs as well as creating and developing meaningful programs to individuals who have graduated high school (through age 40).

Last year, we raised almost \$70,000 during the ExtraGive! With your support again this year, we can continue our mission and turn more of our dreams into realities. Thank you for believing in our work with young people with disabilities!

Today's Schedule
