

## Make A Difference At Aaron's Acres

As we begin 2025, we'd like to share some ways that you can become involved with Aaron's Acres. ***Having the support of our community makes our programs and activities possible!***

- Our **Dream Makers** will hold their first meeting of the year in March and we invite you to see what this community-minded group is all about! If you decide to join after visiting, the commitment is a \$100 annual donation that will be allocated to a program/project that is voted on by the membership. There are several other opportunities to gather and network throughout the year, including a visit to our Summer Camp in July.
- One of our members shared these thoughts with us after visiting Camp, *"What an inspiration to see so many working together to help children who face unimaginable challenges on a daily basis ... the smiles on the children's faces - heartwarming beyond words!"*
- Please [click here](#) to learn more about the Dream Makers and our other giving programs.
- Join us as a **volunteer** for activities such as taking pictures of our participants during Summer Camp or lending a hand during our sports programs!

- If you are interested in partnering with us as a **sponsor**, we are currently in need of additional sponsorship support for our **Adult Sports League** that begins in February. There are also many other ways to become involved as a sponsor, including our largest fundraiser, our annual golf tournament that will be held in June.

We appreciate your consideration, and we would be excited to work together during the year!
