

### Jersey Mike's Month and Day of Giving— What they do is incredible!

Jersey Mike's has a beautiful culture, in that they believe in giving back to the community and have done so, since 2011. In that first year, they raised \$600,000 for 66 charities. 14 years later, the total amount raised is more than \$113 million for hundreds of charities nationwide. For this 15<sup>th</sup> year of giving, their goal is to raise \$25 million to support non-profit organizations that are striving to fulfill their missions and make a difference in the lives of others.

Once again, Aaron's Acres is feeling extremely blessed with being chosen as the recipient for Jersey Mike's Month of Giving this year.

The day of giving is on **Wednesday, March 26**. On this day, 100% of all sales will be donated to our organization in 5 stores in central PA.

The following Jersey Mike's stores will be participating in this fundraising opportunity to benefit our organization:

- Fruitville Pike, Lancaster, PA
- Lincoln Highway East, Lancaster, PA
- East Main Street, Ephrata, PA
- Quentin Road, Lebanon, PA
- West Cumberland Street, Lebanon, PA

On this day of giving, you will find Aaron's Acres Administrative team members along with others who are involved with our organization at all 5 locations. We would love to see you support us and enjoy some good food at the same time!

Funds raised through this month and day of giving will go directly towards our programs that are serving individuals with disabilities, ages 5-40 years old. Aaron's Acres has been able to expand the ages of its participants as well as the variety of programs offered throughout the year, in large part because of the support that we have received over the years from Jersey Mike's.

Matt Patterson, the owner of these 5 stores and Christina Montovino, Regional VP of Operations have seen our programs and have truly been tremendous advocates for Aaron's Acres. We are most grateful that they believe in the work that we are doing for individuals with varying abilities and disabilities. Dreams have been turned into realities because of our ongoing relationship with Matt, Christina and Jersey Mike's.

Please consider supporting us on this day and helping us as we continue to meet our mission and remain true to our vision!
