

Let's Hear From Our Board Member

George Wolf

"Volunteering at Aaron's Acres has been a deeply fulfilling experience, allowing me to work alongside an exceptional team dedicated to making a meaningful difference in the lives of our members and their families. I am continually inspired by the joy and growth I witness during camp sessions and recreational programs like the Chuckie Magee Flag Football league. Seeing the smiles on our members' faces is a powerful reminder of the impact we can make together. I am grateful for the opportunity to contribute to such a wonderful community, and I look forward to being part of Aaron's Acres' bright future."
